

Second International Congress

ON

Personal Construct Theory

FINAL PROGRAMME
CHRIST CHURCH, OXFORD

11 - 15th JULY 1977

Chairman of Congress Dr. Fay Fransella
Congress Committee Dr. D. Bannister Dr. J.M.M. Mair

IMPORTANT NOTE TO CONTRIBUTORS

You are your own chairman and are wholly responsible for conducting your session. You must decide when you have as many attenders as you can cope with and you must make sure your meeting finishes **ON TIME** to make way for the next contributor.

If you are holding a workshop you must decide whether to break for tea and coffee or work straight on through.

ALTERNATIVE PROGRAMME

Any member of Congress who feels inspired to call a meeting on any theme is welcome to do so. Just consult the conference office or organisers and you will be allotted a room and you can put up a notice stating time, place and purpose of meeting on the notice board outside the dining hall. Ad hoc duplicating facilities are available.

PROBLEMS

If you are lost, puzzled or desirous, catch a Congress organiser or steward in flight or at the conference office (Room 1, Staircase 5, Tom Quad) or at the Congress bookstall (Junior Common Room).

MONDAY 11th JULY 1977

LUNCH 1 p.m.

Please note that the bracketed number before a title refers to the summary given in the provisional programmes.
